## **SB 497 - HB 2202**

April 1, 2005

**SUMMARY OF BILL:** Authorizes persons with work permits issued by the United States Government to apply for a Tennessee driver license or photo identification only license. Such license shall not be valid for longer than the work permit.

### **ESTIMATED FISCAL IMPACT:**

**Decrease State Revenues – Exceeds \$15,000 Recurring**  
**Increase State Expenditures - \$15,000 One-Time**

Assumptions:

- Approximately 2,400 persons per year would qualify to receive a license under the provisions of this bill.
- Fees for such license would be prorated according to the length of the work permit. The prorated fee would be based upon the current \$19.50 for a five year issuance.
- Such persons receiving a license under the provisions of this bill are currently holding a certificate for driving (CFD). The fee for a CFD is \$19.50 regardless of the time period issued.
- A decrease in state revenues as a result of persons obtaining a driver license for the length of the work period and paying prorated fees in an amount that is less than the fee paid for a CFD.
- A one-time increase in state expenditures for computer system changes.
